

# Jayco's "Jay Series 1406" Fold-down Camping Trailer

## The Largest Jay Series Fold-down Ever!

Jayco's really **done** it! They've come up with the most incredible RV value yet!

With a travel length of 18'10" and a campsite length of 23'8", the Jay Series 1406 fold-down gives you a **huge** amount of living space...a **huge** amount of storage space!

Plus, it offers **more** standard features to simplify camping...**more** standard features to improve towing...and option packages that give you **more choice** in the range of comforts and conveniences you want!

The 1406 also comes with Jayco's exclusive roof-lifter system — the smoothest, easiest-to-operate system on the market!

But here's the **great news!** Jayco's 1406 Jay Series fold-down has a truly competitive price!

Now, who else but Jayco could make **so much so affordable?** Go ahead! Check out the following features! And see for yourself what an incredible value the 1406 really is!

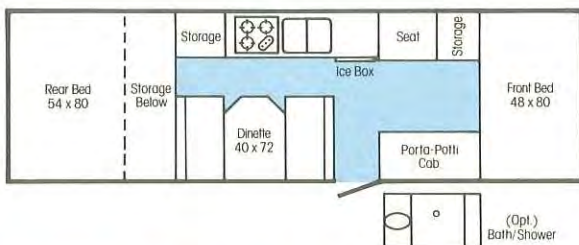

### STANDARD FEATURES

- Lifter system enclosed above floor — away from damaging weather and road conditions
- Lifter-system Lifetime Limited Warranty — for true peace of mind
- Wide-track tandem axles — for a more stable tow, greater cargo-carrying capacity

- Independent torsion axle suspension — for a **smoother** tow
- Side dinette — opens up aisle space, allows easy access to end bunk
- Large storage compartment under bed — more room to bring the things you want
- Lockable outside storage trunk — still more room to hold your gear... and keep it safe
- Domed and laminated roof — for proper water runoff and extra strength
- 75 lb. built-in ice box — large capacity...keeps you more "self-contained"
- Large 78" x 80" wing bunk — for roomy, comfortable sleep
- Positive door & drawer catches — stay shut during transit
- 14" x 14" roof vent accepts A/C — no need to cut holes
- Four self-storing stabilizing jacks — can't be left behind
- 5-year limited warranty on roof, floor & frame — your assurance of solid, dependable performance year after year
