**NEW 10' FOLD-DOWN!  
A TRENDSETTER FOR  
THE '90s ... EXCLUSIVELY  
FROM JAYCO!**

You're gonna love it! Jayco's new Esprit™ fold-down camping trailer is unlike any you've ever seen before! It's a whole new experience, perfectly tuned to your way of thinking and your way of life!

Check out its bold, new design — with lines that sweep from top to bottom ... its brilliant tent fabric in today's hottest colors: Royal Purple, Magenta, Forest Green, and White ... its cool gray-laminate interior surfaces ... its smart upholstery in soft, muted pastels ... its smooth white exterior finish. Here's a look that's thoroughly '90s ... and beyond!

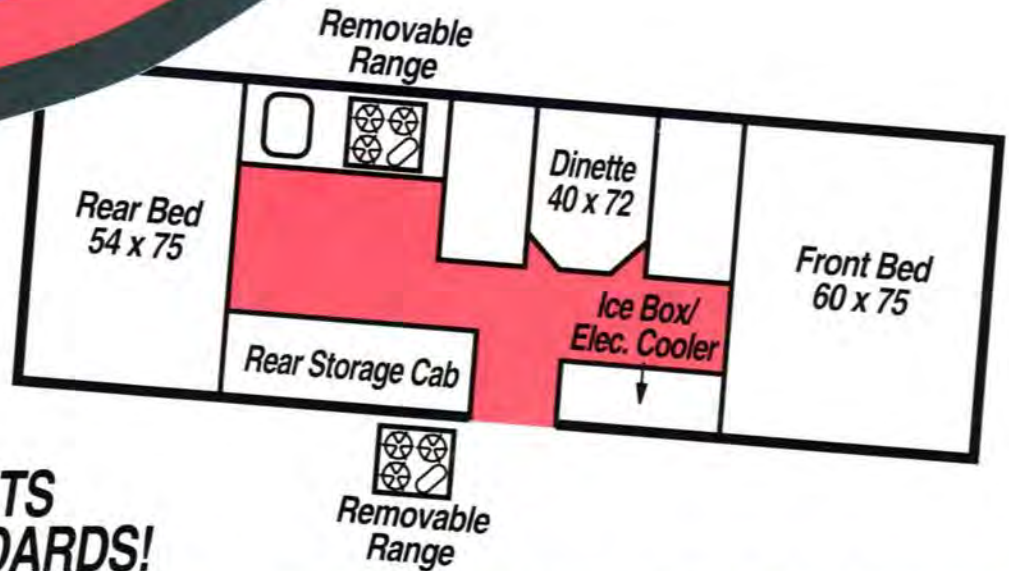

The new Esprit has more than just a look, though. If you like being pampered as much as you like being close to nature, you'll find Esprit ideal. It's easy to own, easy

to tow — and easy to set up in a flash. It has all the essential comforts you could want at campsite, too, whether you're a first-timer or seasoned pro. In short, it's got the best of everything!

Jayco's new Esprit fold-down: For the young — and the young at heart — it's bound to be the next big trend: camping the way you want it!
