

1994 TRUCK CAMPERS

W E L C O M E H O M E

JAYCO

JAY HAWK™ SERIES

Now here's an idea that's sure to make you feel right at home: a truck camper so comfortable and so practically styled and appointed that it's more like a mini motorhome — at a fraction of a mini's cost!

Meet Jayco's brand-new Jay Hawk™ truck camper! It costs so little to own and operate, you can get away more often and live more of the life you love!

Don't let its economy fool you, though. The Jay Hawk has lots of class! Just look at all the wonderful features that contribute to its home-like livability:

- A large sleeper sofa-styled gauch
- Color-coordinated, pearlized venetian blinds in the living room area
- Stile cabinet construction — with oak-framed cabinet doors — for added strength and durability
- Optional solid-oak cabinet doors

A Generator is Optional with the Jay Hawk 1050 ECO

- A 16,000 BTU electronic-ignition furnace
- An LP-gas/110-volt refrigerator
- A porcelain sink
- A high-output three-burner range with an oven
- A built-in pantry
- A 12-volt power vent in the bathroom
- An optional skylight
- A mirrored medicine cabinet
- Dual holding tanks (23 gallons)
- A wardrobe with mirrored doors
- A two-way TV cabinet
- A comfortable inner-spring mattress and a quilted bedspread

- A roof and walls that are laminated and aluminum-framed
- Fiberglass exterior walls
- A patio light with a convenient inside switch
- Two 20-lb. LP bottles with a regulator
- A roof ladder
- Ample exterior storage
- An optional exterior shower
- Two Extended Cab-Over (ECO) floorplans are available with a queen-size bed or optional twins.

Jay Hawk Series and Sportster Models All Are Available with Easy-to-operate Ball-screw Jacks

All Jay Hawk Series Models Feature a One-piece Fiberglass Bathroom Module

SPORTSTER™ SERIES

Make yourself at home in the great outdoors! Jayco's Sportster™ let's you do it — with more style, more room, more comfort and convenience than you might ever have thought a pop-up truck camper could provide.

The Sportster is lightweight, too; keeps your fuel costs down while it lets you go just about anywhere

your sense of adventure may lead. Features like these make the livin' easy:

- A smooth-operating crank-up roof: provides little wind resistance when lowered for travel; lots of headroom when raised for camping
- A low center of gravity when the roof is down — makes for a truly stable, pleasurable ride
- Jayco's unique, patented roof lifter system — the best in the industry; fully enclosed for

protection against dust, dirt, and the weather; comes with Jayco's own lifetime limited warranty*

- A unique "no tuck" canvas tent: it's pulled in automatically as the roof is lowered
- A laminated and domed roof that comes with a five-year limited warranty (see the back cover): allows proper water runoff and has the strength to support an air conditioner
- A smooth, contemporary-looking aluminum outer skin
- New radius-cornered windows
- A patio light with an indoor switch
- Abundant storage space
- A roomy storage compartment under the cab-over bunk — ideal for fishing rods; spring-loaded struts make it easy to lift the bunk and keep it open, once raised
- A cab-over bunk privacy drape
- New roof valances to enhance the interior look
- A convenient overhead cabinet for extra provisions
- Positive-lock cabinet door and drawer catches
- A complete galley — with a range, a sink, a two-way pump, a fresh-water tank, and a 75-pound, self-draining ice box with shelves
- A 16,000-BTU auto-ignition furnace
- A 20-pound LP-gas tank with a regulator

* U.S. Patent No. 3,495,866. Warranty applies only to original owner. See your Jayco dealer for details.

9-1/2' Sportster

Sportster Series or Jay Hawk Series— Choose the Exterior Graphics that Best Match Your Truck

"No Tuck" Tent Automatically Pulls In As Roof Is Cranked Down

Sportster Roof Down: Less Wind Resistance; Sportster Roof Up: Lots of Headroom at Campsite

FRONT COVER: The 9-1/2' Sportster, at Right, and the Jay Hawk Series 1050 ECO

LIMITED WARRANTY

Jayco, Inc., warrants to the original purchaser of every Sportster truck camper that the roof is free from substantial defects in materials and workmanship for three (3) years on labor and five (5) years on parts from the date of purchase under normal use and service. Other Sportster parts & components and the Jay Hawk Series campers are warranted for twelve (12) months for parts and labor from the date of purchase. This warranty does not apply to any defect in the aesthetics or physical appearance of the unit, nor to normal deterioration of the soft trim and appearance items due to wear and exposure. A copy of this limited warranty is available for inspection upon request from your Jayco dealer. Separate manufacturers' warranties cover various components used in Jayco products.

LIFTER SYSTEM LIFETIME LIMITED WARRANTY

Jayco, Inc., warrants to the original purchaser of every Sportster truck camper that the lifter system is free from substantial defects in materials

and workmanship for the lifetime of the truck camper. A copy of this limited warranty is available for inspection upon request from your Jayco dealer.
