

1995 SPORTSTER™ TRUCK CAMPERS

AMERICA'S BEST TRUCK CAMPER VALUE

▲ Sportster with Full-height Entrance Door (Available on Three Models)

OUTDOOR LIVING MADE EXTRA-EASY, EXTRA FUN!

Wherever your sense of adventure leads, Jayco's Sportster gets you there — and lets you camp there — in genuine comfort and style. It simplifies your travel life, freeing you up for more of the outdoor fun things you love to do.

For example, Sportster comes with a crank-up roof and Jayco's unique, patented* roof-lifter system, regarded by many as the best available. Operation is smooth, safe, fast, and easy. The system is fully enclosed, too — for complete protection against dust, dirt, and the elements. It's so well-protected and dependable, in fact, that Jayco offers it with a lifetime limited warranty!**

That's just the beginning of what Sportster has to offer, though. See the back for more of its pleasures.

*U.S. Patent No. 3,495,866

** See Back

▲ Lowering the roof for travel cuts wind resistance, lowers the center of gravity, increases stability, smoothes the ride, and saves fuel. Raise the roof at campsite, and you've got plenty of interior headroom.

▼ Practical floor plans and tasteful styling lend a touch of home.

WELCOME HOME!

FEATURES THAT SIMPLIFY YOUR TRAVEL LIVING:

- ▶ A laminated and domed roof with a lifetime limited warranty (see below)
- ▶ A smooth aluminum outer skin
- ▶ Radius-cornered windows
- ▶ A patio light with an indoor switch
- ▶ Abundant storage space
- ▶ Locking rear-storage access doors in some models
- ▶ A roomy storage compartment under the cab-over bunk—ideal for fishing rods
- ▶ A cab-over bunk privacy drape
- ▶ Roof valances to enhance the interior look
- ▶ Window screens and drapes
- ▶ A convenient overhead cabinet
- ▶ Positive-lock cabinet door and drawer catches
- ▶ A complete galley — with a range, a sink, a two-way pump, a fresh-water tank, and a 75-pound, self-draining ice box with shelves
- ▶ A 16,000-BTU automatic-ignition furnace
- ▶ A 20-pound LP-gas tank with a regulator
- ▶ A 25-foot power cord
- ▶ Three tripod jacks for stabilization
- ▶ A power converter (110-volt to 12-volt DC)

Unique “no tuck” canvas tent pulls in automatically as the roof is lowered. ▼

Three models come with this standard-height entrance door. ▼

LIMITED WARRANTIES

Jayco, Inc., warrants to the original purchaser of every Sportster truck camper that the roof and the roof-lifter system are both free from substantial defects in materials and workmanship for the lifetime of the camper unit. Other Sportster parts and components are warranted for twelve (12) months for parts and labor from the date of purchase. There are certain exclusions to these limited warranties, details of which are available at your Jayco dealership.
