

Spring 2026

Dear Valued Customer,

It's time to prepare your boat for going back in the water.

Attached are the 2026 Spring Commission and Launch forms. Extra labor charges may apply if your boat system(s) are not easily accessible. **Everyone must fill out and sign on page 5 of the attached forms even if Clarks Landing is not commissioning your boat.**

Spring is Clarks Landing Shady Side Maryland's busiest time of year, and we want to ensure your complete satisfaction with our services.

In order to schedule your launch date/week, please go to <https://clarkslanding.simplybook.me/v2/> and click the book now button. Please put your confirmation number and launch date on page 2 of this form. Once you have completed the online forms, you will receive an email confirmation.

If you need to see a copy of this form after submission, use password: MDspring26

If you are hiring an outside contractor to commission your vessel, they must notify our service department so we can make sure they can be approved to work in our yard.

We must have an updated copy of their insurance prior to them doing any work on our property.

If you would like our assistance completing these forms, please do not hesitate to contact our Service Department at (410) 867-9550 to answer any questions you may have.

Our Spring Service Department Hours are as follows:

Monday – Friday: 8:00am-4:30pm

Thank you for storing your boat with us this winter. We look forward to serving you for all of your boating needs this upcoming season.

Sincerely,

The Clarks Landing Service Team

Kim Chaplin, Service Advisor, kchaplin@clarkslanding.com

Will Carlsen, Service, will@clarkslanding.com

Additional Repairs or Comments Below:

By signing below, I hereby authorize the service work to be completed along with labor and materials, and understand that my boat will not be launched, or released, from Marina and Winter storage until all bills are paid in full. Clarks Landing employees may operate my boat for things like testing, putting in the slip, or delivery at my risk. Clarks Landing will not be held responsible for loss or damage to the boat, and/or articles left in the boat, fire, theft, accident, or any other cause. An express mechanic's lien is acknowledged on the boat to secure payment for repairs and services. The manufacturer warranties constitute the only express and implied warranties for the sale of boats, parts, and accessories. I agree to the rules and regulations of Clarks Landing and have read and agreed to the terms, conditions, and prices as stated on this Spring Launch Program.

NOTES, TERMS & CONDITIONS

1. All accounts must be paid in full prior to launch, including your Spring Launch work orders.
2. It is the responsibility of the boat owner to notify Clarks Service Department of the type of bottom paint currently on the vessel so that Clarks can use the same type or one that is compatible.
3. Boat bottoms will be painted the same color as the existing color. If you would like a different color or a special paint, please indicate in the space provided. Up to one hour of free scraping is included. If additional time is required, you will be notified.
4. Pod Service Includes changing all fluids and filters, lubing prop shafts, and checking operations.
5. Maryland Clean Marina requires the following procedures to be adhered to by everyone:
 - a. Use of tarps and vacuums to collect solid waste produced by bottom cleaning, sanding, scraping, and painting. Non-toxic residues are to be double-bagged and disposed of in regular trash. Toxic residues, including bottom paint, are to be disposed of by a licensed hauler.
 - b. Waste oil will be disposed of through a licensed hauler. Clarks Landing provides a tank for customer use via the Service Department. Oil filters are to be drained, dried, and disposed of in an oil filter recycling drum located at the Clarks Landing Service Department.
 - c. Ethylene glycol (permanent antifreeze) must be recycled. It cannot be discharged on the ground or in the water.
 - d. Closed cooling service includes draining, disposing, and refilling coolant in the engine cooling systems.
 - e. **Clarks Landing has the right, but not the obligation, to clean up any violation and bill the responsible party accordingly.**
6. With outdrive and outboard painting, if necessary, the first half hour of scraping and sanding will be free. If additional time is required, you will be notified.
7. The tune-up includes replacing spark plugs, cap, and rotor.
8. Commission Engines - Gas or Diesel includes starting engines and running to temperature, check engine alarms, voltage and oil pressure gauge readings, check navigation light, horn, wipers, bilge blowers and pumps, and top off fluids. **Sea trials are not included.**
9. Commission Water Systems includes: freshwater systems, air conditioning, ice makers, dishwashers, head system, and clothes washer.
10. Commission of Generator includes starting the engine and running to temperature, checking alarms and gauges, and checking and topping off fluid levels.
11. Please use [Simply Book.me](https://SimplyBook.me), our new online calendar to request your launch date. All requests will be on a first-come-first-serve basis. Please note that we do our best to meet your request; However, due to uncontrollable forces (i.e. weather), Clarks Landing cannot guarantee the exact date your boat will be launched.
12. Temporary slip tie-up: Customers can be absent at the time of launch if Clarks Landing performed the spring commission. Clarks Landing will notify the owner when the boat is launched and moored in a slip. The owner is to secure lines within 24 hours of notification. Mooring lines and boat keys must be in the boat before the launch date. If lines are missing or in questionable condition, new lines will be installed (as needed) and billed to the customer.
13. This fee is added to your bill to offset expenses incurred for the disposal of waste fluids and chemicals, recycling, and miscellaneous shop supplies.
14. Due to space limitations, boats that remain on land or in the water for more than 5 days after launch will be subject to a storage fee of \$5.00 per foot per day.
15. All outside contractors must meet our insurance requirements, follow our posted rules, and check in before working on vessel(s) in our yard.

Customer Authorization:

By signing above, you are acknowledging you read through these terms and conditions.
