

CLARKS LANDING

MARINA & YACHT SALES

Dear Valued Customer,

It's almost time for another beautiful boating season at Clarks Landing Marina! Spring is our busiest time of the year, and we want to ensure your boat is ready when you are. Please make sure to fill out all required fields in the Spring Commission and Launch packet completely, either submitting electronically or emailing a copy to steve@clarkslanding.com. **Make sure to write in the week you would like your boat back in the water.** This gives our Service Department a target time when preparing your boat for launch.

Thank you for storing your boat with us this Winter. We look forward to serving you and all of your boating needs! If you have any questions, please email steve@clarkslanding.com or call (732) 899-5559.

Sincerely,

Steve Bick

NOTES

1. All accounts must be paid in full prior to launch, including your Spring Launch work orders.
2. Boats were put on land according to the date you requested to be re-launched on your winter storage contract. Please make sure you have completed any work that needs to be done prior to this date. If you change this date, there may be a charge if your boat needs to be moved. We will do our best to accommodate you. Due to uncontrollable forces (i.e. weather) Clarks Landing Marina cannot guarantee the exact date your boat will be launched.
3. Boat bottoms will be painted the same color as the existing color with Sea Hawk bottom paint. If you would like a different color you must indicate in the space provided under bottom paint. A half hour free scraping charge is included. If additional time is required, you will be notified.
4. Clarks Landing has been recognized by the NJ Department of Environmental Protection as a New Jersey Clean Marina. This requires the following procedures be adhered to:
 - a. Boat owners are not permitted to scrape, sand, or bottom paint their boats while on marina property. The material is considered hazardous waste.
 - b. **Waste oil disposal.** Clarks Landing provides a waste oil tank for customer use via the service department. Oil filters are to be drained completely on the rack provided. Under **no** circumstances shall oil filters be disposed of in Clarks Landing trash bins.
 - c. Clarks Landing has the right, but not the obligation to clean up any violations and bill the responsible party and/or boat owner accordingly.
 - d. Customers removing their own shrink wrap must remove the material from marina property.
 - e. Ethyl Glycol permanent anti-freeze must be recycled. If discharged onto the ground, responsible party and/or boat owner will pay for clean up and any fines incurred.
5. Temporary slip tie-up: Customer does not have to be present at time of launch. Clarks Landing Marina will notify owner when boat is launched and moored in slip. Owner to adjust lines within 24 hours of boat being launched. Mooring lines must be in the boat prior to launch date. If lines are missing or in questionable condition, new lines will be installed (2 bow, 2 stern, 2 spring lines) and billed to the customer.
6. A minimum of three (3) days prior to tentative launch date, boat owner must drop off a spare set of keys to ignition and all locks on-board.
7. Clarks Landing assumes no responsibility for damage to canvas, isinglass, zippers tracks, stitching or fasteners, during Winter Storage or installation process as this is generally an indication of aged or degraded material. The customer will be contacted in the event the enclosure is found to be in need of repair.
8. Boats remaining on land or in the water for more than 3 days after completion of the work will be subject to a storage fee of \$2.00 per foot per day.
9. The trash bins and dumpsters at Clarks Landing are for trash generated while at the marina. Hazardous material may NOT be disposed of on Marina property (including batteries). You can not bring your trash or anything else from outside and dispose of it on marina property. You will be responsible for the cleanup costs of any hazardous material deposited in these receptacles or on marina property along with any fines or penalties.
10. Sandblasting is not permitted on Clarks Landing Marina property.
11. We will not commission any engine not winterized by Clarks Landing Marina.
12. This fee is added to your bill to offset expenses incurred for disposal of waste fluids and chemicals, recycling, and miscellaneous shop supplies.

ACKNOWLEDGEMENT

By signing below, I hereby authorize the completion of service work, including labor and materials. I understand that my boat will not be launched or released from the Marina or Winter storage until all bills are paid in full. I authorize Clarks Landing employees to operate my boat for purposes such as testing, placing it in a slip, or delivery, at my risk.

Clarks Landing shall not be held responsible for any loss or damage to the boat and/or articles left on the boat, including but not limited to fire, theft, accidents, or other causes. An express mechanic's lien is acknowledged on the boat to secure payment for repairs and services. Manufacturer warranties constitute the only express and implied warranties for the sale of engines, parts, and accessories. I confirm that, while the boat is moored or stored on land at the Marina, I will maintain an active marine insurance policy, including protection and indemnity liability coverage, with limits of no less than Five Hundred Thousand Dollars (\$500,000.00) per occurrence. The insurance policy will name Clarks Landing Marina as an additional insured. If the vessel is operated as a charter, I acknowledge that additional insurance requirements, as outlined in the slip contract, must be adhered to accordingly.

I agree to abide by Clarks Landing's rules and regulations and confirm that I have read and agreed to the terms, conditions, and prices as stated in this Spring Launch Program.
