MORE CONFIDENCE. *Less fatigue.*

While every 2017 Ventana pairs a Freightliner® chassis with our latest steel superstructure, the STAR Foundation, 40' to 43' floor plans add a tag axle with Passive Steer technology. Together with Ventana's standard Comfort Drive™ steering system, Passive Steer delivers a tighter turning angle while virtually eliminating steering friction. The result is what we like to call "the ultimate RV driving experience." Outside, a newly available hammock provides yet another way to relax.

Equipped with a remote-controlled BraunAbility® wheelchair lift, Ventana 4311 greets you with extra-wide aisles, a deep roll-in shower, dinette with power-adjustable table plus lowered switches, fixtures and appliances throughout.
