SURF'S UP SURF SCHOOL

We have been teaching surfing for the past 13 years. We are life long sports coaches working with children and adults alike. In 2018, we received the honor of becoming National Finalist for WSIA Surf School. We are National 'Wake the World' supporters, and will be participating in our 6th event this summer-July 21st on Gull Lake at Prairieville Township Park. We have trained with some of the world's top pro wakesurfers, and are stoked to bring that training back to all of YOU!!!

Gull Lake Marine BAYSIDE

If you love to shop, we are your local place for life jackets, surfboards, clothing, tow ropes, etc. Our BAYSIDE shop is here for all of your boating and waters sports' needs. Don't see what you need, just ask!

BOOKING: Call 269-967-5112 or email to book ahead. Slots fill up fast. Since space is limited, first-come, first-serve when booking. Lessons are designed for beginner to intermediate level surfers.

CASHLESS PAYMENT TRANSACTIONS ONLY

Payment is expected including fuel surcharge prior to leaving the dock using Venmo, Cash App, Apple Pay, PayPal or check.

WEATHER

All bookings are weather dependent. Mondays and/or Tuesdays are rain days. You will be contacted to rebook as needed. We do not book weekends because of high traffic on the lake.

IMPORTANT TO KNOW

REMINDERS: SURF'S UP will provide a friendly reminder 48 hours prior to your booked lesson/party via Facebook messenger or group text. Included in the reminder-lesson expectations/pricing/location/times.

ARRIVAL TIMING: SURF'S UP staff will greet surfers once everyone has arrived. Please take care of bathroom needs prior to surfing start time. Bathrooms are located outside (lower level) with a key hanging outside of the doors. Please only arrive at your designated time. Prompt pick up following lessons is also expected. Our crew needs to prepare for the next session of surfers. We appreciate your cooperation.

LATE ARRIVAL: For surfers who arrive late to the dock, their surf time on the water will be decreased by the equivalent amount of time. Late arrivals negatively impact everyone's experience. Prompt arrival required.

SAFETY FIRST: ABSOLUTELY NO ALCOHOL. No drinking prior to lessons and no alcohol on the boat.

CANCELLATIONS: 24 hour notice is preferred! There is no penalty if Coach Kim is contacted before the desired 24 hours. If 24 hour notice is not met, there will be a \$70 charge for surfer(s). No new lessons will be booked until \$70 is paid in full. In addition, after "two" no-shows/no-call, payment must be paid at booking time per lesson.

RESCHEDULING: If a surf lesson needs to be rescheduled due to weather, coach illness, etc, SURF'S UP will do our best to reschedule lesson or party for surfers involved.

NO FOOD OR DRINKS: No food or drink will be brought on board during our lessons. This is a distraction for other surfers. It attracts unwanted insects and it can potentially harm the boat seats & flooring. It adds to the cleanup and sanitation. Bottles of water will be available on the boat. If you have special needs, please address them at booking.

INJURY DISCLAIMER: Our form MUST be completed and signed for 2024 prior to your surf lesson. Parents will have to sign for any minor(s) under 18 years of age.

Learn how to inland wakesurf behind a wake boat. Exhilarating fun for ALL ages. Small children must be accompanied by an adult.

SURF'S UP loves sharing our passion for surfing with all of you at our two locations! We are so excited to meet your surfing needs! Thanks to all of you - our amazing surfers.

We Are So Stoked to Start SURF SCHOOL 2025

"Anyone who has ever had an interest in trying wake surfing; but not sure how, where to begin, or just afraid to try, I would HIGHLY recommend giving Coach Kim and Coach Rusty with Surfs Up, Battle Creek a try. They were so wonderful with the kids, fun to hang out with, and amazing coaches...I never thought after one lesson I would be up and riding the wake "wireless" (dropping the rope), while grooving to my favorite song. I had so much fun that I can't stop thinking about how soon I can get back out there with them or on our boat with them next summer!!" -A Former Client

2024 Malibu 23 LSV
