Sea Ray®

A WORLD BEYOND THE MAINSTREAM.™

MAKE A FAST GETAWAY.

We call it the 260 Overnighter. And considering its capacity and amenities, we think you'll want to spend many, many nights on it.

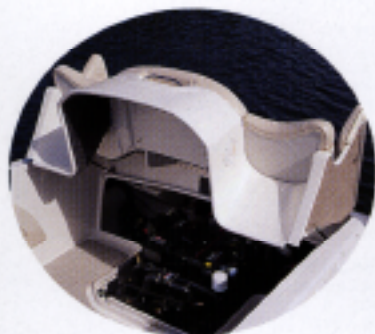

As you'd expect from us, there's voluminous storage everywhere to hold supplies for lots of cruising time, making the most of every square centimeter on board. You're ready for all kinds of fast-moving water sports, powered by the standard 310-hp stern drive pleasurably under the control of a captain who's coddled at the helm with a tilt steering wheel, full backlit, low-glare instrumentation and right-at-hand side storage. And you're ready for topside entertainment, too, with plenty of beverage holders, a built-in ice chest and fabulous sounds emanating from the four speaker Clarion® AM/FM digital cassette stereo system. Of course, if pure relaxation is the name of the game, family and friends can just chill out in the comfortable aft seats and enjoy the ride.

And the overnight part? Just step through the lockable, sliding cabin door (with extra-convenient molded steps for sure-footed movement between the cockpit and the foredeck) into the bright cabin with four hull windows and a cushy, upholstered v-berth. It's not just for overnighting. There's a removable table for games, indoor dining, you name it. Or stow it in its dedicated storage compartment and insert plush filler cushions for a more spacious sleeping area. We've also provided a 12V receptacle, plus a concealed head area with a fiberglass liner. And for extra light or ventilation, just pop the translucent deck hatch with locks and a screen.

Sturdy construction, top-quality stainless steel fittings, a fiberglass cockpit liner, marine-grade vinyl upholstery and many other typical Sea Ray touches make for a solid, durable boat. To help you enjoy every day, and every night, for long years of family fun.

TAKE A GREAT HIDEAWAY.

Aft seating raises easily for access to a ventilated engine compartment containing a hot, 310-hp 7.4L MPI Bravo I[®] MCM stern drive as standard equipment.

Party all day long with a convenient built-in ice chest to keep things cool. The lockable, sliding cabin door features molded steps for easy fore-and-aft movement.

A choice of seating plans is available, including a custom double helm seat with flip-up thigh-rise and a handy fiberglass storage base.

The comfortable, upholstered v-berth offers plenty of storage, plus dedicated storage for a table. Just insert filler cushions for stretching out as much as you like.

The cockpit's well equipped for entertaining, with abundant beverage holders, compartments for your goodies, even this optional refrigerator.

The extra-wide swim platform makes boarding from the water or the dock easy, and the swim ladder can be concealed out of the way. Optional seating plans include aft jump seats that form a sun pad.

Every new '98 Sea Ray comes with thousands of dollars in privileges and benefits in the Sea Ray Preferred Customer Club.[®] You'll save on merchandise, apparel, travel and dining, and receive a host of special privileges for more enjoyable boating. And new for '98: The Sea Ray Earnings Account, helping you build credit toward a discount on a future Sea Ray - a value worth hundreds, even thousands of dollars. Ask your dealer for details.
