

320 Sundancer®

2004

There's plenty of room for company with a custom adjustable companion helm seat with thigh-rise bolsters, curved lounge seat to port, and U-shaped aft seating with fiberglass storage base. The cockpit also offers a wet bar with stainless steel handrail and storage below.

This broad, burl-trimmed dash places everything you need, right where you need it. Filled with SmartCraft™ diagnostics, waterproof electronic switch pads, and plenty of room for additional electronics, the captain has everything necessary for an enjoyable day on the water.

A crescent-shaped sofa in the salon converts to a roomy bed for overnight guests. The salon also features a dinette table with designated storage.

There's plenty of room for family, friends and almost anything you care to bring onboard the sleek new Sea Ray 320 Sundancer. Thanks to the standard power of twin 5.0L MPI Bravo® III MCM stern drives (T-260 hp), you'll have no trouble leaving your daily routine at the dock as you enjoy hours of relaxing fun on the water. For extended excursions, this stylish cruiser with its bold, new profile offers plenty of sleeping accommodations.

Faux granite countertops and the cherry wood package with Formica® cabinets add to the feeling of luxury. The galley also features a refrigerator, microwave, two-burner electric stove and lots of storage.

The spacious V-berth sleeps two comfortably on the built-in island-style double bed with storage drawers below. Enjoy the entertainment package that includes Clarion® AM/FM stereo with six-disc CD changer and six speakers.

From the salon, step down to the conversation area, which includes seating that converts to a double berth with slide-out base. Overnight guests will appreciate the privacy curtain here.
