A WORLD BEYOND THE MAINSTREAM.®

## 260 SUNDANCER® • SPORT CRUISER • 1999 SPECIFICATIONS

The portside sun lounger provides an aft-facing backrest or a forward-facing seat back for your companions. Note the integral steps that allow easy access to the foredeck for sunning or working lines.

The large self-bailing cockpit is perfect for friendly gatherings. In the aft section, there's a refreshment center with wet bar and cooler, a port aft-facing seat with fold-down sun pad and a followway aft bench.

The additional swim platform has a stainless steel swim ladder concealed in the portside hatch.

Full controls and instrumentation are at your fingertips, with illuminated switches and custom low-glare backlit gauges.

The versatile V-berth functions as a dinette by day and a comfortable sleeper by night.

For occupants of the Sundancer's hallmark mid-berth, the beautifully equipped galley is right at hand for midnight snacks.
