Storage Cradle
CE Option

Cockpit Layout

Cabin Layout

The sleek new design is only one of the many premium upgrades we've made on this roomy new 260 Sundancer. Typical Sea Ray ergonomics designed throughout make this boat rival any other in its class. We've also added a translucent deck hatch with locks and sky screen cover, plus a transom storage compartment with gas-assisted lid. It's the best boat in its class, with all the extras you would expect from a much larger, more expensive cruiser.

This handsome new black coral and burl control station is fully equipped with custom Sea Ray SmartCraft™ instruments.

Elegant cockpit wet bar features Corian® countertop and stainless steel faucet.

Comfort comes standard with this luxurious and open cockpit designed for sunning and entertaining.

This tastefully appointed galley comes well equipped with a molded-in sink, dual-voltage refrigerator, microwave, and butane stove.

This comfortable head and shower compartment is fully enclosed and features a sink, vanity, and VacuFlush® head.

Rich textures and designer fabrics make this roomy V-berth attractive and comfortable.
